

WEARVERSE POLICIES

Professional E-commerce Policy Document

1. Return & Refund Policy

Customers may request a return within thirty (30) days from the date of delivery. Returned items must be unworn, unwashed, undamaged, and include original tags and packaging.

Non-returnable items include gift cards, clearance products, customized products, and items marked as final sale.

To initiate a return, customers must contact WearVerse support and provide their order number. After approval, customers will receive return instructions.

Refunds are issued to the original payment method after inspection and approval. Refund processing may take 5–10 business days depending on the payment provider.

If a customer receives a defective, damaged, or incorrect item, WearVerse will provide a replacement or refund at no additional cost.

2. Shipping Policy

Orders are generally processed within 1–3 business days after payment confirmation.

Shipping charges are calculated during checkout and displayed before order completion.

Estimated delivery times:

- Standard Shipping: 3–7 business days
- Express Shipping: 1–3 business days (where available)

Delivery times are estimates and may vary due to weather conditions, courier delays, public holidays, customs inspections, or other circumstances beyond WearVerse's control.

Customers are responsible for providing accurate shipping information. WearVerse is not responsible for delivery failures caused by incorrect addresses.

International customers may be required to pay customs duties, import taxes, or other government-imposed fees.
